

Nogales High School

1905 N. Apache Blvd., Nogales, AZ. 85621
Principal: Tim Colgate

Apache Family,

As we embark on a new educational frontier for everyone, I want to thank you for your patience. We understand that the best education for our children is a face-to-face, in-school instruction; however, with this pandemic, it is not fully possible at this time, that is why we have options for the 202-21 school year. These options are 1) Fully online; 2) Hybrid (2 days of in person instruction at school and 3 days online); 3) 5 days of in-school instruction.

Please keep in mind that we will be starting school on August 5th with a completely online instructional model; we will not transition to the hybrid or in-school options until August 17th (at the earliest) per the Governor's Executive Order issued June 29, 2020. However, parents who wish to have their student remain online after hybrid or in-school options are permitted may continue to do so.

We are asking that if you have not had the opportunity to complete the parent survey sent out by the district, please do so as this will help us in our final planning and schedule for this school year. Here is the link for the parent survey: [Parent Survey](#). The survey link can also be found on the NUSD website at <https://www.nusd.k12.az.us/> or on the NHS Apache Pride Facebook page at [NHS Apache Pride Facebook](#). Your assistance in completing this form is greatly appreciated. If you have already done so, thank you very much.

Safety: The safety of our students and staff are our #1 priority. NUSD has invested in the proper cleaning supplies and equipment necessary to clean, disinfect, and sanitize our campus and classrooms. All NUSD custodians, maintenance workers, and administrators have been trained in the proper use of these supplies and equipment. A regimented cleaning schedule has been implemented and will be maintained to ensure the safest environment possible for everyone in our NUSD schools, buildings and campuses. We will be providing further information about procedures and PPE requirements as we get closer to returning to school.

Athletics/activities: At this time, the AIA has pushed all official practice days for fall sports back to August 17th, following the Executive Order issued by Governor Ducey. We will not be opening our school or having any practice until that date. Students will **not** be required to obtain a new physical for this school year, if they had one for the 2019-20 school year, with the exception of any student that could not complete the season due to an injury or concussion. All other paperwork will be need to be updated and a packet of required paperwork can be found on the NHS webpage. Based upon the current information, all fall sports are still going to commence, with several changes to procedures (which are under discussion by AIA), including a much later start for competition dates and adjustments to the sports schedules. The AMEA and ABODA (Band Governing Bodies) have cancelled all fall competitions; however, we will continue to have band with our fantastic new band director, Mr. Donald Heaton. We will keep you informed to any changes in the Athletics or Activities Calendars.

Virtual parent meetings and virtual freshman orientation: Over the next few days we will be sending information out regarding virtual parent meeting and virtual freshman orientation. Please keep an eye out for these important events.

Registration: This week we will begin our virtual registrations with our NHS counselors. Due to the pandemic, we will follow a different process this year as registration will be completely online with virtual appointments, as you will see on the next page. Registration information will be posted on our NHS webpage and on our Facebook page as well. Each grade level will be receiving separate messages as their registration day nears with more instructions.

NOGALES HIGH SCHOOL 2020-2021 ONLINE REGISTRATION SCHEDULE

Dear Students:

Please read the following important information regarding the 2020-2021 school year class registration.

Students can login to PowerSchool to view 2020-2021 class schedule on assigned registration day only. All passwords remain the same, but if you need yours, email Janeth Corrales at jcorrales@nUSD.k12.az.us or Lupita Flores at lflores@nUSD.k12.az.us

- Students will **ONLY** be able to view their schedule during the registration assigned day by **Last Name and grade**. If unable to review your schedule on your assigned day, you may do so during OPEN registration.
- All **NEW** students will register with their cohort. A counselor will contact you to discuss your schedule on assigned day.
- If there is a concern about your schedule, you can email any counselor. However, making changes at this point is difficult due to availability. Only contact our office if you are missing a required course, did not take/pass a prerequisite class, incorrect course on schedule or to shorten schedule (shorten schedule is only an option for seniors). There will be **NO** elective or teacher changes.

For the time being and until further notice, our office will remain closed for any in-person meetings. All concerns should be done via email or through the NHS Virtual Counseling Office.

To schedule a virtual appointment to discuss concerns, visit <https://bit.ly/NHsvirtualCounseling2020>. Virtual appointments have a 15-minute time frame. Available times will be from 8am to 2pm. We encourage you to first try to contact us via email and explain/list your questions/concerns to:
